FAQ

What does it cost?

Enjoy savings of 10% to 30% when you bring a group. With tickets starting as low as \$15 for many concerts, a live symphony experience is more affordable than ever. Children 18 and under attend Symphony Series and Neighborhood concerts for free.

Can my group sit together?

Groups can usually be seated together, although it is important to contact us as early as possible to secure your seating. If members of your group want to sit in different sections or pricing levels, we can arrange for that as well.

When do I pay?

We typically like to have payment in full two weeks out from the concert. A 50% non-refundable deposit to hold seats is required for more popular concerts. Reach out to us to discuss payment plan options.

Additional seats may be added to your group at the discounted rate. We can invoice you in advance to help process your payment.

Payment can be made by credit card over the phone, mailing in a check, or purchase order.

What if I need to change my order?

Tickets can be added at the discounted rate to a group order at any time, and seating location exchanges can be made. As we do not offer refunds, if any tickets need to be removed from your order, please do so before final payment.

How will I get my tickets?

Tickets can be mailed or emailed to the group leader. Tickets can also be held at will call for the group leader to pick up and distribute.
